## Whose Say-so is Best?

With nearly all medicines put up for sale through druggists, one has to take the maker's say-so alone as to the curative value. Of course, such testimony is not that of a disinterested party and accordingly is not to be given the same credit as if written from disinterested motives. Dr. Pierce's medicines, however, form a single and therefore striking exception to this rule. Their claims to the confidence of invalids do not rest solely upon their makers' say-so or praise. Their ingredients are matters of public knowledge, being printed on each separate bottle wrapper. Thus invalid sufferers are taken into Dr. Pierce's full confidence. Scores of leading medical men have written enough to fill volumes in praise of the curative value of the several ingredients entering into these well-known medicines.

Among these writers we find such medical lights as Prof. Finley Ellingwood, M. D., of the same city; Prof. John M. Dooley, D. D., late of Cincinnati, Ohio; Prof. John King, M. D., late of Cincinnati, Ohio; Dr. Grover Cox, of New York; Dr. Barlow, of the same city; Dr. J. C. Miller, of the same city; and scores of others equally eminent. Dr. Pierce's Family Compound, which is the basis of his medicines, corrects irregularities, cures painful periods, drives up discharges and weakens drains, some signs known as pelvic catarrh and a multitude of other diseases peculiar to women. Bear in mind it is not a patent nor even a secret medicine, but the "Favorite Prescription" of a regularly educated physician of large experience in the cure of women's peculiar ailments, who frankly and confidently takes his patients into his full confidence by telling them just what his "Prescription" is composed of. Of no other medicine sold through druggists, can it be said that the maker is not afraid to stamp his name upon it, and to let every patient using the same know exactly what he is taking.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

How to preserve health and beauty is told in Dr. Pierce's Common Sense Medical Adviser. It is free. For a paper-covered copy send Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps to cover mailing only; in cloth binding 50 stamps. Dr. Pierce's Female Cure constipation.

THE STRICKEN ROSE FROM GRIEF.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its bloom, that it was to be cut down at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the sufferer; she is a veritable storehouse of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, who, thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ, a parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

**Charge Against Gov. Hoch.**

The declaration of Mrs. W. E. Stanley, wife of ex-Governor Stanley, of Kansas, that Governor Hoch put his arm around her and tried to kiss her in his office last December has aroused much gossip in Wichita, and will probably have considerable effect on the republican convention which meets next Wednesday. It was expected that Governor Hoch would be renominated by acclamation by the convention, but his political fortunes will probably be affected by the scandal.

Mrs. Stanley is a member of the board of visitation to charitable institutions and she went to Governor Hoch's office in Topeka on official business last December. It was on this occasion, according to her story, that the Governor, who is 57 years of age and married, threw his arms around her waist and attempted to kiss her. Mrs. Stanley, as she alleges, tore herself away and told the Governor what she thought of his conduct. Then, at the request of her husband, she sent in her resignation from the board of visitation and Governor Hoch after holding it up several weeks accepted it.

Governor Hoch gave out this statement in regard to the affair last night: "I do not care to discuss this matter, except to say that the story, which has been whispered around by extravagant color in print, is grossly untrue and unjust to me. It has been circulated by people who have no interest in regard to the feelings of either family. I have committed no intentional wrong and hold the position in question in the highest esteem. Did I not occupy the position I do this story would never be peddled or published. It is part of the hyena politics altogether too common in Kansas."

Mrs. Stanley, who had not said a word for publication before Saturday night, gave out a statement in which she reiterates her charge.

**Rev. Mr. Crapsey's Sermon.**

Rev. Algernon Crapsey, whose trial on a charge of heresy was concluded Thursday in Batavia, N. Y., delivered two sermons yesterday in Sage Chapel. Andrew D. White, President Schurman and other prominent members of Cornell University were in the congregation. In the morning Dr. Crapsey confined his remarks to the birth of Christ, maintaining that he came into the world like any other infant, without any divine attributes. He developed, guided by an unaided spiritual power until he attained perfection and became a real God.

In the afternoon Dr. Crapsey took for his text "The Resurrection of Christ." He asserted that there was no physical resurrection, but one of the spirit only. He said in part: Nine-tenths of the talk of the resurrection is mere sounding brass and tinkling cymbal. There is no more sense in the talk of most men about the resurrection than there would be in my talking about differential calculus. You must remember that in studying the resurrection, the story of which is mere tradition and not history, we are not dealing with physical facts in a physical world; we are dealing with the great mystery of the spirit—seeing Jesus, not with the actual eye, but with the souls of his followers. Peter did see Christ and talked with him. The spiritual world came in the real world. The soul of Peter rejected Jesus." Dr. Crapsey explained that Peter had the psychological state of mind necessary at the time.

**Alfonso an Ardent Lover.**

King Alfonso of Spain and Princess Ena of Battenberg are carrying on their quiet courtship at Cowes, Isle of Wight, with great satisfaction to themselves. They are together the whole day, "from early morn till dewy eve," motoring, riding, walking together in the lovely country lanes without attendants of any kind.

The king received last week colored sketches of the wedding dress and five other robes which he is having made for his bride. The material is still unfinished at the Lyons silk works.

The wedding dress will be made of white duchess satin trimmed with point d'Aiguille Brussels lace, 20 yards of which will be used for the mantle alone. The court train is to be an extra train, made detachable and worn slung from the shoulder. It will be covered with the richest hand embroidery wrought in silver in a pattern representative of the rose, which is the emblem of Spain as well as of England. The bodies will be cut low and is to have square décolletage. It also will be embroidered with silver roses trimmed with lovely point d'Aiguille. This costume alone will cost about \$10,000. A superb cloak now being made in Paris will also be heavily embroidered with roses.

**A Young Mother of 70.**

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpatrick, of Danforth, Me. Greatest restorative medicine on the globe. Sets Stomach, Liver and Kidneys right, purifies the blood and cures Malaria, Rheumatism and Weakness. Wonderful Nerve Tonic. Price 50c. Guaranteed at E. S. Leadbeater & Sons' drug store.

## Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE

**Lydia E. Pinkham's Vegetable Compound**

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and restorative ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have written cured and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ill, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties."

"My oldest daughter found it very beneficial for a femoral trouble some time ago and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength."

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular periods, bloating or flatulency, weakness of organs, displacements, inflammation or ulceration, can be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound. If advice is needed write to Mrs. Pinkham, at Lynn, Mass. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. No other living person has had the benefit of a wider experience in treating female ill. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

**Fight Among Miners.**

Union and non union miners clashed again in Johnstown, Pa., Saturday night at Paint Creek mines, near Windber, where a week ago a mob had to be dispersed by a volley from the muskets of the deputies. As a result of Saturday night's riot two men are dying in the hospital at Windber, a third is probably fatally stabbed, several others sustained various injuries and seven men are under arrest for inciting to riot. Since the last trouble the saloons at Windber have been kept closed, and Saturday night the men visited the saloons at Paint Creek. A union and a nonunion man got into a quarrel, and soon blows were struck. Soon a knife was drawn by one of the men, and immediately there was a rush from all sides to the support of the contestants. Knives and guns were drawn and bullets began to fly. The battle lasted for half an hour, and when the crowd dispersed four men were lying along the Baltimore and Ohio Railroad tracks for a distance of 50 yards, bleeding from stabs and bullet wounds. The sheriff at Windber was notified, and with 21 deputies, arrived after the riot was over. They arrested the leaders and had the wounded taken to the Windber Hospital.

Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by W. F. Creighton & Co., 401 King Street.

**For a Weak Digestion.**

No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefited by their use. They only cost a quarter. For sale by Gibson & Timberman and W. F. Creighton & Co.
